2019 HOLIDAY GIFT GUIDE

'Tis the season to shop local small businesses

Presented by Atlantic Capital®

Start:ME

Ventures Served	Mentors Engaged	Peer Selected for Capital	In Annual Revenues	Actively Operating	Jobs Created

AT EMORY'S GOIZUETA BUSINESS SCHOOL, WE BELIEVE THAT SMALL BUSINESSES MAKE A BIG IMPACT IN OUR NEIGHBORHOODS.

Research shows that microbusinesses account for more than 7 million US jobs and more than \$350 billion in total payroll.

Start:ME is an intensive accelerator program for promising local businesses. Emory's Goizueta Business School partners with community-based nonprofits to deliver the program to talented entrepreneurs who live in, work in, or provide valuable products and services to our Atlanta community. During the 14 sessions and beyond, we connect entrepreneurs to the knowledge, networks, and capital necessary to build and grow small businesses.

We believe that promising entrepreneurs are everywhere and we work to build the local, neighborhood ecosystem that is required for small businesses to start and grow.

HOW TO SHOP SMALL

This holiday season, Start:ME and our friends at *Atlantic Capital* have teamed up to support the shop small movement by showcasing Start:ME alumni businesses.

From sweet treats and handmade gifts to home improvement and repairs, we have something for everyone on your list. Enjoy this year's holiday gift guide and learn more about how you can support small businesses at STARTMEATL.ORG. Follow along on social media at [#SHOPSTARTME](https://twitter.com/SHOPSTARTME).

We're proud to feature our Start:ME alumni in the following shopping guide.
